Draft definitions for harvesting chapters:

"Harvest" means the taking or attempted taking of Wildlife, Plants, Fish or Aquatic Plants into possession, and includes fishing, hunting, trapping, netting, egging, picking, collecting, gathering, spearing, killing, catching, capturing or taking by any means or method and, with reference to Plants, includes wooding, cutting or digging or attempting to do so. For greater certainty, "harvesting" includes the following activities:

- a) hunting of mammals and birds;
- b) trapping of fur-bearing animals;
- c) fishing for freshwater and anadromous fish;
- d) gathering of traditional Dehcho Dene foods;
- e) gathering of plants, fish or wildlife used for medicinal or ceremonial purposes;
- f) use or construction of shelter or facilities ancillary to the pursuit of the above activities; and
- g) access to lands or waters for any of the above activities.

"Subsistence and Personal Use" means the non-commercial use or consumption of Wildlife, Fish or Plants by the individual or the family or community of the individual carrying out the hunting, trapping and gathering activity, or anyone receiving Wildlife, Fish or Plants through gifting or trading permitted by the Dehcho Agreement.
