P.1.1 The Dehcho Government owns the Plants located in Dehcho NdeheN'dehe.

P.1.2 With the exception of provisions set out in subsection P.5.0, ~~Plant Management, this chapter applies to the Dehcho Settlement Area excluding and not to Dehcho NdeheN'dehe. Plant Management, this chapter does not apply to Dehcho Settlement Land or to the Harvesting of Plants on Dehcho Settlement Land~~<sup>1</sup>.

<sup>1</sup> ~~"Dehcho Settlement Land" will be a defined term and will also be replaced by Dehcho nomenclature. Dehcho NdeheN'dehe (Settlement Land)~~

<sup>2</sup> ~~Everywhere the chapter uses "Dehcho Citizens have the right" Canada prefers "The Dehcho Agreement will recognize that Dehcho Citizens have the right..."~~

<sup>3</sup> ~~"Dehcho Settlement Area" will be a defined term (Crown Land minus Dehcho Settlement Land within a defined area) and will also be replaced by Dehcho nomenclature.~~

<sup>4</sup> Term "subsistence" is also being discussed by the Table

  - v) protection of the Environment from significant damage.

**P.1.54** The Dehcho Final Agreement will recognize that the Minister ~~has~~ retains the authority to manage and conserve Plants and Plant habitat in the Dehcho Settlement Area and will exercise that authority in a manner that is consistent with the Dehcho Final Agreement.

**P.1.65** ~~To the extent reasonable,~~ Government will Consult the Dehcho Government prior to imposing a limitation or restriction under **P.1.4 (b)**.

**P.1.76** In the event of an Emergency, Government may impose an interim limitation or restriction under **P.1.4(b)** without prior Consultation.

---

<sup>5</sup> LTC will review various alternatives to this threshold: "related to", "necessary for" and others. Wording in Wildlife chapter reads "demonstrably necessary for..."

<sup>6</sup> LTC will be considering the necessity of (iv)

**P.1.87** In the event a limitation or restriction is imposed under P.1.7, and as soon as possible after the imposition, Government will:

- (a) confer<sup>7</sup> with the Dehcho Government regarding the necessity of the action taken; and
- (b) Consult with the Dehcho Government regarding the ongoing terms and conditions to be attached to any limitation or restriction imposed.<sup>8</sup>

**P.1.987** Nothing in the Dehcho Final Agreement<sup>9</sup> will be construed to:

- a) recognize a right to harvest Plants for commercial purposes or sale;
- b) confer rights of ownership in Plants, other than P.1.1;
- c) guarantee the supply of Plants;
- d) entitle Dehcho Citizens to any compensation for damage to or loss of Plants or Plant Harvesting opportunities within the Dehcho Settlement Area<sup>10</sup>;

<sup>7</sup> LTC is discussing the term “confer” and alternatives. Issue is whether “consultation” is the proper concept when dealing with past rather than present or future actions.

<sup>8</sup> LTC suggestion: In the event of an emergency, Government may impose an interim limitation or restriction under P.1.4(b) upon notice to the Dehcho Government. As soon as possible thereafter, Government will provide reasons for the decision to the Dehcho Government. Government will Consult the Dehcho Government with respect to any ongoing terms and conditions.

<sup>9</sup> DFN suggest: “Nothing in this chapter will...”

<sup>10</sup> LTC Note: this is linked to an ongoing issue in the Wildlife Compensation Chapter.

<sup>11</sup> LTC to consider whether a Land Use Planning reference is needed.

<sup>12</sup> Note: Wildlife chapter adds "tax" – under discussion

- a) other Dehcho Citizens; and
- b) members of other Aboriginal groups in ~~the NWT, Yukon and British Columbia, with whom they have a tradition of Trading their Dehcho Ttraditional Ttrading Aarea~~

for ~~Subsistence Domestic Purposes, the recipient's their~~ personal use or consumption.

P.2.3<sup>15</sup> Prior to ~~Dehcho Final~~ Agreement, the Dehcho First Nation may address reciprocal opportunities for the Harvesting of Plants with other Aboriginal groups through the negotiation of overlap agreements. <sup>15</sup> LTC: Parties may wish to consider taking P.2.3 above and putting it in its own subsection – “Overlap Agreements” – or the like. – A questionable inclusion under this subheading.

<sup>16</sup> Table is discussing the need for (a)

- b) on lands held in fee simple, lands subject to an agreement for sale or lands subject to a surface lease;
