Resource Royalties Submissions 2015 - 2016

The interim Resource Development Agreement (IRDA) signed in April 2003 provides that the DFN will receive a share of federal royalties from resource development in the Mackenzie Valley prior to a final agreement.

Funds can be accessed for economic development projects. Business plans will be required in order to access 2015-2016 Royalties funding. The guidelines for eligibility for project funding are set out in Appendix C of the IRDA.

Guidelines, criteria and application form to apply for DFN resource royalties are available on the Dehcho First Nations website:

http://www.dehcho.org/documents/agreements/dehchoirda_e.pdf or by contacting the DFN office for copies.

All submissions should be forwarded to the Dehcho First Nations at:
